COLEBROOK PUBLIC INFORMATIONAL MEETING
UNSTABLE ROCK REMOVAL ON US ROUTE 3 – ALSO RIVER BANK
STABILIZATION, GUARDRAIL AND DRAINAGE WORK

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Wednesday, November 6, 2002 in Colebrook to review and discuss a planned project on US Route 3.

This project involves removing unstable rock at three locations, stabilizing the Connecticut River bank adjacent to Route 3, guardrail replacement and drainage improvements. It begins approximately 1,000 feet north of the Rest Area on US Route 3 and proceeds north approximately 2,500 feet.

The November 6 meeting to present citizens and public officials with the proposal and to solicit input will be held at the Colebrook Public Library, Main Street in Colebrook, New Hampshire. The meeting will begin at 7:00 pm and will be followed by a question and comment period.
